DEX

Accelerate, phase, and swap with DEX™, a flush-to-grade anchoring system that eliminates the need for toe guards and combines clean design aesthetic with functionality and streamlined installation.

360° ROTATIONAL HUB

Easy movement for all ages and abilities, the 360° rotational hub features continuous and smooth movement. Adjustable spray zones ensure that this durable hub meets the needs and requirements of all play pad designs.

CAUSE & EFFECT

Push, spin, plug, turn, aim, and jump, Waterplay's product designs encourage waterplayers to collaborate, explore, and push the bounds of play to new limits through technologies that encourage interaction and discovery.

ACTIVATION

Optimize water use! Waterplay's on-demand and action activators let waterplayers of all ages and abilities control when the water is turned on. A great way to reduce water consumption while creating a dynamic play experience.

We are committed to manufacturing products with low flow rates and encouraging play space design that takes into consideration sustainable water consumption through activation, sequencing, and water management best practices.
