

## MACHINIST

We're passionate about play. We believe that bringing play to communities makes the planet more livable and socially just. With thousands of installations across the world, we're excited to be a part of the movement toward a healthier, happier, global community by offering innovative aquatic play solutions designed for developing minds, thrill seekers, budding explorers, and the young at heart.

Our work culture is important to us and we believe that with a team of people who CARE we can achieve amazing things. From tacking a weld to putting the final touches on a piece of ad copy, we believe that every task we undertake is important and deserves our utmost COMMITMENT, an ATTITUDE that anything is possible, mutual RESPECT, and a level of EQUALITY that invites collaboration.

We're always looking for exceptional people to join the Waterplay Group of Companies. If you like working in a fast-paced, dynamic environment, have a passion for play, and truly CARE, then we'd love to hear from you.

### Position Overview:

This fulltime position is responsible for processing raw materials for the fabrication of Waterplay products in a safe, efficient manner while maintaining the commitment to quality that our customers demand.
