

When people learn that you are a designated accountant are they surprised because you don't fit the mold? Are you a dynamic, team oriented, analytical professional with superior communication skills? Are you sometimes told to 'act your age'? If so, Waterplay Solutions Corp. may have the perfect role for you as **Director of Finance and Administration**.

Located in beautiful Kelowna, BC, a four season playground, this full time position will provide you with ongoing growth and rewarding challenge as this innovative Company continues its expansion. Waterplay and its affiliated companies design and fabricate recreational aquatic equipment for the world market. Your experience in a production related environment will be essential in assisting the company to achieve its growth targets. Managing the Finance and Administration teams, your responsibilities include but are not limited to: full cycle accounting, budget preparation and forecasting, payroll & benefits administration, cost accounting and analysis, foreign exchange and cash management, as well as the management of the administrative support of the Company.

This is a full time, paid position with benefits. Previous management experience would be preferred. Please submit resume and cover letter to careers@waterplay.com. For further information on Waterplay and this opportunity please check us out on line at www.waterplay.com.

We thank all applicants but wish to advise that only those selected for an interview will be contacted.
