

Drains are a necessary part of any project but you don't want them to detract from the overall design. Available in green, black, gray and sandstone, Waterplay's drains are designed to blend into their surroundings and will fit seamlessly into your park design. They are available with strainers to pre-filter unnecessary debris.

- Ability to add one or more drains on one line
- Will adapt to 4", 6" and 8" pipe returns
- Two-year warranty
- Available in Black, Green, Grey & Sandstone
- ADA compliant
- 3/8" grate opening to eliminate entrapment hazard
- High impact and load resistant rating on materials: light vehicle traffic rating (class B)—loads of 61-175 PSI; medium duty pneumatic tire traffic, autos and light trucks at speed less than 20 mph
