WASHROOMS

by Urben Blu

IT'S SO SMART, IT CLEANS ITSELF

If a washroom could have an IQ, it would be this one!
We think we could probably teach it to play chess.

Urben Blu toilet and change room facilities are ready to install and feature automatic cleaning mechanisms that reduce ongoing maintenance costs. Built with programmable safety features and vandal-resistant materials, Urben Blu toilet and change rooms are easily customizable to suit the needs of your community for a safer and cleaner washroom solution.

Automation reduces electricity, water and consumables, as well as ongoing maintenance costs.

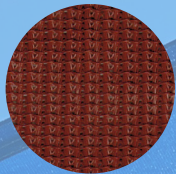

- Programmable access hours
- Self-cleaning floor
- Toilet bowl disinfection after each user
- Vandal-resistant materials and design
- Graffiti-resistant finishings
- Wifi connection available
- Single or double toilet format

SEATING

by Waterplay Solutions

PLAYFUL SEATS FOR PLAYFUL SPACES.

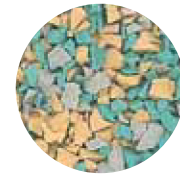

Do playful seats mean playful sitting? We think so! Plop down on a smooth stone or relax on a seashell inspired bench--these seats make you happy! And make the space beautiful.
